## Peg's History

1999

Even as a young boy, Fred had always loved his family's restaurant business. By the age of 9, he was so determined to be a part of it that he would stand by his parents' side, atop a soapbox, just to get in on the "action". He learned everything from washing dishes, to cooking, to waiting tables, to bookkeeping. By the time he was 18, he realized that cooking was his true passion, but this would have to wait; Fred enlisted in the U.S. Air Force, with a tour in Germany. Shortly after returning home to Oregon, Fred ran into a high school friend, by the name of JoAnna. They dated, fell in love & in 1959 were married. Fred & JoAnna ("Pops" & "Peg" - as they would later become known) shared a desire for great food & great service, opening their first restaurant together that same year. Over the next 35 years they would own 18 different restaurants before retiring to their favorite vacation destination - Reno, Nevada. After only 5 years of retirement, they figured "why not run just one more small restaurant?" In June 1999, they began operating Peg's Glorified Ham n Eggs. Since then, their children, & even some grandchildren, have joined in on the family fun. Today, that "one small restaurant" has turned into multiple locations throughout Nevada & even one in Roseville, California. All Peg's are still family owned & operated by the "kids" & they proudly carry on "Pops" & "Peg's" original family tradition of providing "glorified" food & "egg-cellent" service.
